## A NOTE FROM THE PRINCIPAL:

Happy New Year! As your school Principal, I bring you good news for 2010. Our school has received "Full Accreditation" granted by the Ohio Catholic Schools Accreditation Association. We have gained two new students, twin boys for our second grade (welcome Jacob & Christian), putting us over the goal of 70 students this year, and closer to the goal of 85 for next year. Our community support is growing, as others see the value of an education that offers a Christ-centered environment. For allowing me to be your Principal and being a part of all of this good news, I thank you.

On our last day of the 2009 school year, students participated in a closing Christmas prayer service. They were given the task of addressing their fellow students, shaking hands, and praying silently, "I can, and I will, treat you with more kindness and respect next year." When they return to school this week, we will re-visit that prayer commitment with them, in hopes that they can truly begin to understand the real message of Christmas. Christ calls us to love first, seek to understand, and create a world of peace, not only with one another, but within our own hearts.

May this new year of 2010 bring you love, peace and an abundance of God's blessings.

In His Service,

Mrs. Price

## A New Year's Prayer

Anonymous

Dear Lord, please give me

A few friends who understand me and remain my friends;

A work to do which has real value, without which the world would be the poorer;

A mind unafraid to travel, even though the trail be not blazed;

An understanding heart;

A sense of humor;

Time for quiet, silent meditation;

A feeling of the presence of God;

The patience to wait for the coming of these things, with the wisdom to recognize them when they come.

Amen
