A SISTER PARISH WITH SACRED HEART OF JESUS, BETHLEHEM

A MEMBER OF THE ST. JUAN DIEGO DEANERY

A NOTE FROM THE PRINCIPAL...

St. Joseph School encompasses a religious mission as well as an academic one. That is what is distinctive about our school curriculum and environment. Just showing up for the day will not produce success; but showing up where intellectual development and spiritual formation are provided as integral parts of the school's mission will produce success.

We begin each day with a pledge to the Flag and a pledge to school's mission that "we will work together to create a safe, discipline and Christ-centered environment." We strive to develop a Catholic identity within our school and within our students. Our teachers work hard, and along with our school families, they make many sacrifices for the continued success of our school. And thanks to the generosity of you, our parish members, we continue the mission of the parish in providing our community with Catholic education.

Carolyn Price,
 Principal

A FAMILY PERSPECTIVE: In our family we are taught to respond to the needs of each other. But it does not stop there. Today's gospel reminds us we have responsibility to our brothers and sisters across the world who are not from our immediate family. Families are designed to be launching pads, not dead ends.
